### COMPANY PROFILE

#### Introduction

New Security Installations Pty Ltd (NSI) is a fully Australian owned and operated business with Bryan and Margaret Langler as directors. The business was born with a passion to protect clients offering good customer service and providing value for money with the clear intent to build a solid business on satisfied customer's referral.

Bryan grew up on the Sunshine Coast moving away to pursue a career as an Army Officer and then worked for 18 years as a Security Consultant in Sydney. Keen to bring another professional dimension to the Electronic Security Industry an office of NSI was established at Currimundi in July 2006.
